

DILOEXSHIYA

SIVANANTHARAJAH

Designer

SUMMARY

Detail-oriented and creative IT undergraduate with hands-on experience in freelance graphic and UI/UX design, combined with a strong interest in software quality assurance. Skilled in creating user-focused designs, identifying usability and functional issues, and collaborating with cross-functional teams. Familiar with manual testing concepts, basic test case creation, and modern design tools. Eager to learn, adapt, and contribute to delivering high quality, user-centric digital products as a QA or UI/UX Intern.
